Individual Activity descriptions

Scenic Day Cruise

An amazing way to explore the natural beauty the Knysna Lagoon has on offer, with magical bays and coves. We navigate through the famous Knysna Heads out into the open Indian Ocean, abundant with a diversity of marine and birdlife. Spend some time relaxing, sunbathing and keeping an eye out for the abundant marine life, like playful seals or pods of dolphins. Light snacks included.

The longer scenic day cruise (2h10min.) allows for time to anchor at Featherbed and cool down with a swim.

Sunset Cruises

Your cruise departs from the Sirocco jetty in Knysna. You are welcomed on board with a complimentary glass of bubbly. We then venture out for a magical sail on the Knysna Lagoon, navigate the famous Knysna Heads and explore the spectacular scenery and marine and bird life of the Indian Ocean. On our return, we enjoy delicious snacks and sundowners.

An excursion through the Knysna Heads out to the Ocean is weather dependant, and the tides may not always allow us to sail out to sea. Rest assured, though, you will have an exquisite experience no matter which direction we sail. Our Sunset Cruise includes one complimentary glass of sparkling wine per adult and light snacks.

Our Sunset Cruise departure times vary with the season. Please make sure you check the departure schedule when booking and arrive 15 minutes prior to departure.

Private Cruises

Onboard the catamarans your cruise you can choose to be as entertained as you wish...try your hand at fishing, dive straight off the boat and enjoy swimming in the clear water, SUP, snorkel, or just simply sit back, relax and enjoy every moment.
